

Introduction to Polish Law for Linguists

mgr Joanna Kozłowska

The aim of this course is to familiarize students with the Polish legal system and to provide a general overview of its basic legal concepts and institutions. Students are expected to develop the skill of using Polish codes and their translations. It is assumed that students will learn how to use legal terminology to describe and explain Polish legal realities and institutions. This course will focus on the following areas of law approached from a linguistic perspective:

- Constitutional law,
- Civil law,
- Commercial law,
- European Law

Assessment: class participation, 2 written tests

Duration: 1 semester, 28 hrs., **Tuesdays 17.00 – 18.30**
